Strike Tennis Coaches have a FUN and EXCITING way of teaching tennis so every student is engaged & successful! Low student : pro ratio, kids get to hit a lot of balls! Kids learn forehands, backhands, volleys, footwork, the serve, scoring and play fun games like tennis hockey, tennis baseball, & lots more! We are a feeder program for High School tennis teams. Many of our students play on HS tennis teams such as Hillgrove HS, Harrison HS & other HS teams. Some students have played on Junior Alta teams & won city finals, lots play USTA & UTR tournaments & some go on to play college tennis. We are the real deal & we love teaching kids! A great thing about tennis; you only need to have 1 other person in order to play the sport! It's a family sport & a sport that keeps you exercising for your whole life! Most important to us is that our students have lots of FUN & learn to love the sport of Tennis!
